

The Champalimaud Foundation invites nominations and applications for the €1,000,000 2027 António Champalimaud Vision Award

The 2027 António Champalimaud Vision Award invites applications and nominations under a widened scope. The Award **recognises groups that contributed to the fight against blindness and visual impairment, primarily in developing regions and/or have developed innovations or new technologies that impact on the quality of life of the blind and visually impaired.**

The Award is not only directed at large global organisations but also to all organisations that, whatever their size, can show they have obtained high-impact results. These organisations can be local, regional, or international.

Candidates will be considered by a distinguished international jury for the quality and distinction of their work; their achievements and the measurable impact of their pursuit; as well as the enduring amplifying effects of their activities.

The award may be used in any way that furthers the outstanding contributions of the recipients.

The deadline for submissions is December 31st 2026.

Entry forms and further information are available from the Champalimaud Foundation website, www.fchampalimaud.org
